Notice to all bidders:

Slabbed coins that have been graded by an independent third party Professional Grading Service will include the grade / condition followed by the abbreviation of the grading service. Sometimes we will include in the description the grade or a remark made by the consignor. The inclusion of a grade or remark that is provided by the consignor should not be taken as fact. It should only be considered an opinion of the consignor. Nothing More!

Each bidder is solely responsible for inspecting any, and all, items of interest, and determining the grade / condition for themselves regardless of the grade / condition stated. It is also the responsibility of each bidder to determine for themselves as to whether or not coins have been cleaned or enhanced in any way.

If you have any question in regards to any issue concerning a particular lot, whether the question or issue involves grade, condition, or whether or not coins have been cleaned or enhanced in any way – DO NOT BID ON THAT LOT.

NO RETURNS FOR ANY REASON!
