## **Education Night!**

September 20th Meeting at 6:30 p.m. - 9:00 p.m.

Located at (Note: This is our normal meeting location):

The Olathe Community Center

1205 E Kansas City Rd

Olathe, KS 66061

## President's Message:

Hello-

I hope everyone enjoyed the bourse night last month. We have an exciting meeting lined up this month. We will be hearing an educational presentation from Keegan our YN ANA seminar attendee. We will also be Nominations and voting for President, Vice president and Board Positions.

In November club members Steve Carr and Rich Gregory offer a currency seminar. There is a flier attached. The seminar is always popular, and worth attending even if you only have a passing interest in paper money.

As always, we would love it if you would bring the kids! Each attendee under 18 will receive a silver coin for attending each monthly meeting and will also receive a \$5 voucher for attending any of our events. If you have items that you believe would be appealing to a young numismatist you are encouraged to bring them to our meetings. The club will reimburse the cash equivalent of the vouchers for any sales that you make to our young collectors.

We will have donation drawings and door prizes at each meeting. Answer a Coin trivia question and get an additional door prize ticket.

Thank You- Jim Carr

Upcoming Events:

American Rare Coin Show

September 2nd (9AM-2PM)

16701 E US Hwy 40

Independence, MO 6405

50th Annual JCNS Coin Stamp and Card Show
