

The May JCNS meeting will be Thursday May 16th starting at 6:15.

This month we are having a Young Numismatics (YN) Special Meeting. We will be having a YN cent book special event.

If you have children, grand children, or neighbors or friends with children, we will have empty Lincoln cent books and coins available for them to start filling their book with, probably not with all the dates, but most of them.

As we approach summer break, with the last day for Olathe District being the 23rd, parents thoughts drift to, what will the kids or grand kids do this summer? This will be a good chance for them to start on a hobby that could last a life time.

So it's all free of charge. There is no membership fee for members under age 18.

Once again our location is:

Olathe Community Center Room C

Kansas City Road and Ridgeview,

1205 East Kansas City Rd

Olathe, KS

Note: Our June meeting will be another Table Grading Night. This is an opportunity to get some idea of the value of what you have. I will not be in town for the June meeting. Rick Raines will run this meeting for us.
